BASS LAKE has long been a popular destination among outdoor enthusiasts and urban refugees seeking fresh air, relaxation and recreation. At an elevation of 3,400 feet Bass Lake is among Ponderosa Pine, Cedar, and Black Oak, but is low enough to be a warm-water lake; summertime water temperatures can reach 80 degrees.

This makes Bass Lake ideal for all types of activities:

●Swimming ●Fishing ●Boating ●Paddle Boarding ●Kayaking ●Wake Boarding ●Water Skiing ●Dining ●Shopping

Other activities in the surrounding mountains include:

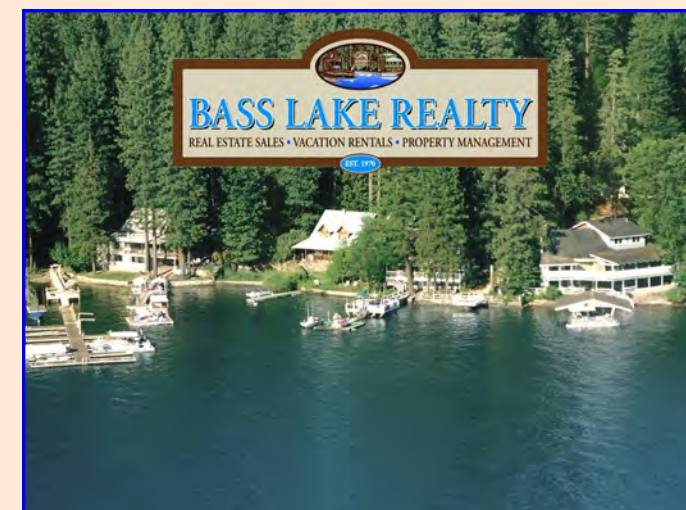

●Hiking ●Skiing ●Mountain Biking ●Off-Road Trails ●Horse Back Riding ●Rock Climbing ●Sled Rides

and plenty of scenery for photography.

Bass Lake is the place for a memorable family vacation!
