YOSEMITE DELAYS, PROJECTS & CONSTRUCTION:

<p>Glacier Point Road Project: 2022-2023 NPS.gov/Yose/PlanYourVisit/gproadfaq.htm</p>	<p>Glacier Point Road will be CLOSED to all traffic in 2022 to rehabilitate and improve the road. The only access to Glacier Point will be via the Four Mile, Panorama, and Pohono Trails, all of which are strenuous hikes. There will be 30-minute delays in 2023. Construction will take place from spring through fall of 2022 and 2023, unless unforeseen weather extends the project. NOTE: The road to Badger Pass and Glacier Point is CLOSED to bicycle, pedestrian, and public vehicle traffic.</p>
<p>Tioga Road / Hwy 120 Delays & Tuolumne Meadows</p>	<p>This is a 2-year rehabilitation project. Crews will shut down for the winter when the road closes. They will start up again in the spring of 2022 and continue throughout summer. This project is scheduled to be completed by the end of fall 2022.</p>
<p>Construction & Pedestrian Detours</p>	<p>Yosemite Valley Welcome Center Construction Beginning, with Pedestrian Detours: Construction on the Yosemite Valley Welcome Center will begin in late January 2022. The contractor will stage their operations in the south end of the Village Store parking lot. The adjacent South & North Parking Lot project will also stage in this area. Pedestrians moving between day-use parking and Yosemite Village will be detoured around the project site. Construction will continue through spring 2023. 7/6/2022: Approximately half of the South Lot Parking in Yosemite Village is closed for construction. Crews will be operating heavy equipment between the South Lot & North Lot throughout the summer.</p>

Overnight Climbing Permit Information NPS.gov/Yose/PlanYourVisit/climbing.htm	All visitors planning to overnight on any rock-climbing routes in Yosemite National Park will be required to obtain an overnight wilderness climbing permit.
Seasonal Climbing Closures NPS.gov/Yose/PlanYourVisit/ClimbingClosures.htm	Peregrine Falcon climbing closures lifted. As of Friday, July 15, all peregrine falcon climbing closures have been lifted. This has been a productive year for peregrine falcons with 17 confirmed nesting locations and a minimum of 23 successful fledglings! Thank you to the Yosemite Climbing Rangers, Fire and Aviation, Law Enforcement and Protection, Volunteers, and the Yosemite Community for your enthusiasm and work in helping to protect the park's peregrine falcons. Yosemite boasts the highest density of known peregrine falcon nests in the Sierra Nevada, and it wouldn't be possible without all of you! Happy climbing!
